**REPLY TO DECISION REGARDING  
SUBMISSION UNDER 37 C.F.R. 1.42**

This is in reply to the decision mailed to applicants on 18 January 2006 rejecting the Declaration submitted on 07 October 2005 under 37 C.F.R. 1.42 for failure to properly identify all of the inventors of record.

The declaration was rejected on the basis that the name of ninth inventor is identified as Dagmar SCHAUSS on the international application (and on the application Data Sheet filed on 22 December 2004); however, this inventor is identified as Dagmar KARTHAUS on the declaration filed on 07 October 2005.

Applicants wish to note for the record that the ninth inventor, Dagmar SCHAUSS, married after the filing of the international application. She has changed her name to her married name Dagmar KARTHAUS.

Attached to this reply is a petition under 37 C.F.R. 1.182 to change the name of record for the ninth inventor to the name set forth on the declaration submitted on 07 October 2005.

Applicants would like to note that the statutory period for filing this response expired on Saturday, March 18, 2006. This response is being timely filed on the next business day, Monday, March 20, 2006.

If any extension of time for the accompanying response is required, applicants request that this be considered a petition thereof.

The commissioner is hereby authorized to charge any fees under 37 C.F.R. 1.17(a) to (d), which may be required by this Conditional Petition to Deposit Account No. 13-3372.

Respectfully submitted,
